

## **Lowell, Walk of Fame Proposal**

I am proposing a Walk of Fame along Both sides of Merrimack Street from the Old Lowell Sun Building to the canal, of those Born in or have Moved to the City of Lowell that have made contributions to the nation and world in the fields of Media, Science, Sports, Education and Industry.

Such names will include, Bettie Davis, Ed McMahon, Robert Tessier, Mark Goddard, Olympia Dukakis, Richard M. Linnehan-Astronaut, Paul Tsongas, Milton Bradley and many more.

Plaques will be placed within the concrete on the sidewalks along the street will show a Picture, Name of the person selected and a QR code. This code will allow people using their Smart Phones to access an app or website that will showcase the persons accomplishments.

This Walk of Fame will be a unique experience that will bring more people Downtown in tours for events, during the Folk Festival, personal tours and educational purposes for School field trips and such. In order to show the History of this City to the next generation.

**Walk of Fame  
Plaque Concept**

# Lowell Walk of Fame

Hello Michael,

Sokharu Chau gave me your info so i could submit a proposal for the next Zoom City Council meeting. Enclosed is my proposal as well as a shortlist of candidates for my proposal.

Keep me posted on the Zoom link for the 13th meeting if ya can. I really think that this would make for a great opportunity for the city to take advantage of.
